Recycling for a Better World

Lesson Planning

Each entry will submit a Lesson Planning Form (attached sheet). The lesson plan may be up to three (3) pages long with the following information:

Title of Lesson	Provide a creative name for your lesson.
Learning Goal	Identify the learning outcome the students will take away from the lesson. The lesson is age appropriate.
Objectives	Identify the purpose of the lesson and what objectives the students will accomplish throughout the lesson. The objectives are realistic.
Materials	Identify all supplies used throughout the lesson.
Setting	Describe the classroom atmosphere and learning environment. It is suitable for the activity.
Activity	Develop a lesson activity that addresses the topic provided by the State Office. The activity should be interactive, creative, and age-appropriate. The activity should be approximately ten (10) minutes in length.
Accommodations	Explain modifications to the lesson plan that could be used to differentiate the activity for students with learning disabilities, challenges, etc.
Assessment	The lesson plan should incorporate at least one (1) formative assessment that allows the teacher to ascertain levels of understanding.
Safety	Safety practices are woven throughout the lesson.

Display Board

A display board should be used as a model of a full-sized bulletin board used to support the content of the lesson. The display must be a tabletop poster board display. The poster display board should not exceed a space 36” deep by 48” wide by 48” high. Materials and supplies used throughout the lesson activity are not considered part of the bulletin board display and but may be placed on the table with the display to enhance the oral presentation.

Content of Display	The display must model a full-sized bulletin board to support the specific lesson. The concepts of the lesson must be reflected in the display board and must be age-appropriate for the students. The learning goal and objectives are clearly displayed and understandable to the specific age group.
Visually Pleasing	The display uses a variety of age-appropriate and appealing elements, including but not limited to arrangement, organization, colors, shapes, sizes, pictures, cutouts, borders, letters, unique materials specific to the lesson, etc. Three-dimensional materials may be used on the display.

Oral Presentation

The oral presentation may be three (3) to five (5) minutes long and is delivered to evaluators. The presentation should concentrate on the lesson activity, safety concerns, and how the project addresses the goals and objectives of the lesson. Materials and supplies from the lesson activity may be used to enhance the presentation.

Explain the lesson rationale, activity and visuals	Explain the planned lesson and why you selected these particular goals and objectives. Identify and explain the specific concern such as accommodations, assessment and safety.
Presentation	Speak clearly with appropriate pitch, tempo, and volume. Use appropriate body language including gestures, posture, mannerisms, eye contact, and appropriate handling of notes if used. Use proper grammar and pronunciation.
Response to Evaluators Questions	Provide clear and concise answers to evaluators’ questions regarding the project and subject matter.
